Dear Parents & Carers,

## Final Inspection Report James Dixon Primary School

We're delighted to inform you that James Dixon Primary School has retained its **'good'** judgement by Ofsted in our latest inspection.

There's been a lot of hard work behind the scenes to maintain this 'good' judgement, and we're pleased that the hard work of our staff, pupils and governors has been recognised. I'm sure you'll join me in congratulating everyone in our school community.

We wanted to draw your attention to the following comment:

***"This is a school where pupils thrive and where everyone is treated equally. Pupils have access to a broad curriculum with numerous educational visits to broaden their experiences. Pupils love talking to each other about their learning. These strengths help them to achieve well. The school has high expectations for all pupils.."***

We also wanted to once again thank everyone who completed Ofsted's Parent View survey. This is such valuable feedback, and we will read every comment to continue to make the school the best that it can be for your children.

You can access the report in full here [Ofsted Reports Website](#)

Our senior leadership team will be reviewing all the feedback we received over the course of the inspection in depth, and we are currently updating our strategic plan.

Thank you once again for all the support you continue to give the school.
