Thursday 16th May 2024

Dear Parents and Carers,

HEALTH WEEK - 20th to 23rd MAY

Active Uniform and PE Kit Reminder

Our PE uniform plays an important role in promoting the ethos of our school. It is important that every child feels a sense of pride in their school, has a sense of belonging to part of a community and that every child is dressed appropriately for sporting activities.

With this in mind I would like to clarify our Active Uniform and PE kit options below so that you can ensure that your child is dressed according to the school expectations during our health week, particularly on sports day. **Children may wear Active Uniform every day next week.**

	  
Option 1: James Dixon Active Uniform	Option 2: A cobalt blue t-shirt and either black or navy shorts

Your child may wear a combination of any of the items above. Please do not send children to school in football tops, alternatives to the official James Dixon active uniform or alternative colours.

Your child must wear trainers which are suitable for outdoor sporting activities when wearing their Active Uniform or PE kit.

Best wishes,

R Huxley

Rachel Huxley
PE Lead

Executive Headteacher: Mrs Michelle Aldred
