Dear Parents and Carers,

We hope this letter finds you well.

It has been a pleasure to welcome the children back for their first week at school. The playground has been buzzing with excitement and we've been delighted with the excellent attendance.

However, we have received a few complaints from our neighbours regarding parking and litter. We kindly request your cooperation in addressing these issues:

- **Parking:** Please be mindful that all parking bays off William Booth Road are private and reserved for residents only.
- **Parking on yellow zigzag lines** outside the school during school hours is strictly prohibited. These areas are designated for the safety of our children.
- **Litter:** We encourage you to dispose of waste responsibly. Littering can be unsightly and harmful to our environment.

We understand that dropping off children can be hectic, but we ask that you plan ahead to avoid parking illegally or inconsiderately. Remember, "Early is on time, on time is late."

Our school is an integral part of the community and we strive to maintain positive relationships with our neighbours. Your cooperation will help us achieve this goal.

Thank you for your understanding and support.

Best wishes,

Michelle Aldred
Executive Headteacher
