17th June 2026

Dear Parents and Carers,

## Year 6 Residential Trip 2026

With the Year 6 residential trip taking place this coming Friday, please review the final details and reminders below to ensure everything runs smoothly.

### Meals and Snacks

- **Two Packed Lunches:** All children must bring two separate packed lunches on Friday. We will have an early lunch around 10:00 AM before departing, and a second chance to eat upon arrival.
- **Healthy Options Only:** In line with our school policy, please avoid packing sweets, chocolates, or fizzy drinks.

### Medication

- **Preparation:** All medication must be securely bagged and clearly labelled with your child's name.
- **Drop-off:** Please hand all medication directly to a member of staff on Friday morning so it can be safely checked off.

### Electronics and Valuables

- **Strictly No Electronics:** No electronic devices, including mobile phones of any kind, are permitted. Any electronics found will be confiscated and returned only when we arrive back at school.
- **Arrival Updates:** You will not need to contact your child directly. The school will be notified the moment we arrive safely at the residential site, and they will immediately pass this update on to you.
- **Cameras:** Standard cameras are permitted. However, with these and anything else packed, please do not send any items that you or your child would be upset to lose or have returned broken.

Thank you for your continued support and cooperation. We are looking forward to a fantastic trip!

Warm regards,

Year 6 Team
