# James Dixon Primary School

Friday 21 July 2023

Dear Parents / Carers

Online Safety & Monitoring

As you will be aware, your child's school Google account is an integral part of their learning across the curriculum. In providing the tools to access the internet we take our responsibilities for monitoring and filtering your child's use of the internet very seriously.

On all school managed devices and accounts, we enforce a filtering system called Lightspeed. This provides 24/7 monitoring and filtration of our devices and accounts to help safeguard and keep your child safe, no matter if they are in school or at home.

Lightspeed not only protects our students from accessing harmful content, online predators and cyberbullying, it also alerts us in the case of a 'risk to life' concern. As we head into the summer break we wanted to make you aware that the filtering system will continue but as it is school holidays we will not be able to respond to alerts. Therefore it is important that you continue to monitor your child's use of the internet; advice is available on our school website.

Thank you for your continued support.

Yours sincerely

Senior Leadership Team

**Executive Headteacher: Mrs Michelle Aldred**
