

This term's theme is...

Transport

Our Creative Curriculum

As **confident individuals**, we will continue to gain confidence when expressing our needs, interests and preferences. We will also develop our independence in self-care by putting on our Forest School suits.

As **successful learners**, we will be learning to extend our vocabulary and retell stories, using Talking Tales techniques to understand the structure and sequence of stories. We will be continuing to engage positively with our friends through child-initiated play.

As **active learners**, we will continue to learn new GPCs during Phonics sessions and will use the sounds we have learnt when reading and writing. In Maths, we will be learning all about the numbers 1 to 5, focusing on comparison, subitising, counting, cardinality and ordinality. We will also be exploring 2D shapes and daily routines of day and night.

As **creative explorers**, we will be continuing our singing lessons with Mr. Dowling from BYMT and learning the songs for our Christmas performance.

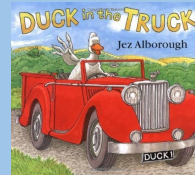

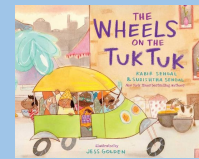

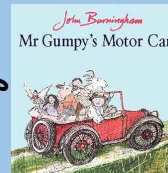

Global Citizens

Our **Jigsaw** theme for this term will be **Celebrating Difference**. We will be learning to talk about what we are good at and thinking about ways in which we are special. Furthermore, we will focus on how to make friends and resolve conflicts with confidence.

As **global citizens**, we will be learning about Bonfire Night, Remembrance Day and the Christian festival of Christmas and the Jewish festival of Hannukah.

We will be reading...

LoTc and WOW days

As **explorers**, we will be visiting **Forest School** weekly and learning about the wildlife and their habitats. We will be developing our knowledge and understanding of the natural world through observation and exploration throughout the changing seasons.

We will go on a trip, themed around our topic of Transport.
