REDUCE, REUSE AND RECYCLE

Dr Mae Jemison

This week in assembly we read the story ‘Look Up!’ by Nathan Bryon. The main character in the story was inspired by Dr Mae Jemison the first African American woman in space. She said:

“Don’t let anyone rob you of your imagination, your creativity, or your curiosity. It’s your place in the world; it’s your life. Go on and do all you can with with it and make it the life you want to live.”
