Digital Resilience

Digital resilience involves having the ability to understand when you are at risk online, knowing what to do if anything goes wrong and learning from your experiences of being online.

A sign that your child is building digital resilience is when things go wrong online and they have received the appropriate level of support, they are able to recover.

Google Classroom

Now that home schooling has come to an end, the way teachers communicate online has changed.

Your child's home learning will always be on Google Classroom, they will be shown the task beforehand and told the expectations. With that in mind, could you please keep communication limited to urgent technical questions or for when your child is struggling with the work.

Your child can always ask for help from their teacher in school hours and have their task explained again. Comments are not for general complaints and any rudeness will not be tolerated.

How we communicate online is the example we show the children. Keeping our children safe online starts with us.

Thank you for your cooperation.

ANCIENT GREECE DAY

YEAR 5

The children in Year 5 had a **FANTASTIC** time taking part in Ancient Greek Day. They dressed as Ancient Greeks and sampled culinary delights such as dried figs and honey. They also took part in their own Greek Olympics

Back to the Forest

Forest school is back in full swing and this week Year 3 heard the story of Superworm, climbed trees and explored the woodland habitats looking for beetles, spiders, woodlice and more.

We were luckily enough to find several slow worms, a type of lizard but without legs, and some lesser stag beetle larvae. A smaller version of its larger relative, the stag beetle.

Football Club at JD

We are pleased to announce that the Unique Football Academy will be running a football club for children in Years 3, 4, 5 and 6. The sessions will run on Mondays between 3.00pm - 4.00pm on the school field. The first session will be on Monday 1st November until Monday 6th December inc.

This six week group of sessions will cost £33. To book your place please visit:

www.uniquefa.com

The places will be allocated on a first come first served basis.

Tel: 020 3916 5255 email: info@uniquefa.com

Do you know that James Dixon has an Awesome Preschool?

That's right! Awesome Class has places available for 3 and 4 year olds. We offer 15 hours of high quality early years education and 30 hours for working families eligible under the Government scheme.

For more information visit the school website <https://www.jamesdixon.bromley.sch.uk/page/?title=Preschool&pid=78> or email jdp-preschool@swale.at to arrange a visit.

MARCUS RASHFORD

Pupils starting media studies GCSEs this year will study Marcus Rashford's role as an influencer.

The course will focus on his use of social media to speak out on issues such as free school meals and racism in sport.

The Manchester United and England player was awarded an MBE last year for services to vulnerable children during the pandemic.

Rashford has used his public profile to reduce the stigma surrounding free school meals.

He talked frankly of his own experience of relying on free lunches at school.

Every parent and carer is a member of the James Dixon Parent Teacher Association (PTA). Parents, carers and school staff come together to support the school, create exciting projects and raise funds for all of those little extras that make school-life richer for all of our children. Covid19 restrictions are still in place and your PTA has adapted with fewer in-person events and virtual fundraisers.
