# Considerate Parking

**THINK** BEFORE **PARK**  
YOU

**BE CONSIDERATE TO OUR NEIGHBOURS**

**DO NOT PARK ON ZIG ZAG LINES**

**YOU COULD ENDANGER  
A CHILD'S LIFE**

As you are aware, William Booth Road can get very congested at drop off and pick up time each day. Please ensure you always consider carefully how you drive and where you park in the morning and in the afternoon. Please:

- Respect our neighbours by not parking in front of or partially in front of their drives
- Drive considerately and carefully especially around the bend outside the school
- Do not park or drop children off on the yellow zig zags outside the school entrance even if it is quiet
- Arrive to school in plenty of time so you are not rushing or trying to fight against traffic coming in the opposite direction

# SCHOOL COUNCIL

The winners of the recycling competition are....

# Google Classroom

Now that home schooling has come to an end, the way teachers communicate online has changed.

Your child's home learning will always be on Google Classroom, they will be shown the task beforehand and told the expectations. With that in mind, could you please keep communication limited to urgent technical questions or for when your child is struggling with the work.

Your child can always ask for help from their teacher in school hours and have their task explained again. Comments are not for general complaints and any rudeness will not be tolerated.

How we communicate online is the example we show the children. Keeping our children safe online starts with us.

Thank you for your cooperation.

**Every parent and carer is a member of the James Dixon Parent Teacher Association (PTA). Parents, carers and school staff come together to support the school, create exciting projects and raise funds for all of those little extras that make school-life richer for all of our children. Covid19 restrictions are still in place and your PTA has adapted with fewer in-person events and virtual fundraisers.**
