Harvest Festival

Thank You

On Wednesday of last week, we celebrated Harvest Festival with the help of Reverend Fitter from Christchurch Anerley. Reverend Fitter wanted to thank all of the school community for all the generous donations that were provided. The food donations will be distributed via the food bank at the church.

Building Digital Resilience

Please check that your child still remembers the SMART rules:

Safe: Keep safe by being careful not to give out personal information when you're chatting or posting online. Personal information includes your email address, phone number and password.

Meet: Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present. Remember online friends are still strangers even if you have been talking to them for a long time.

Accepting: Accepting emails, messages, or opening files, images or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

Reliable: Someone online might lie about who they are and information on the internet may not be true. Always check information.

Tell: Tell a parent, carer or a trusted adult if someone, or something, makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
