Here are the sounds we have learnt so far!
Can you make a memory game using the sounds. Turn them upside down and try and find a matching pair! Remember to say the sound of the letter and not the name.

ONE KIND WORD

Anti-bullying Week 2021

This week we enjoyed a workshop about being a kind friend. We joined in a story-telling activity using drama to keep us engaged and excited. At the end we whispered a little story into our own leaf and blew them into the 'wishing tree'.

I am a good friend because I help with the dinner.

I am a kind friend because I share.

I am kind because I help Mummy with the washing up.

Baking in Curious Class

We made sure we had all the right ingredients before starting! Do you know what ingredients we used?

We took turns and helped each other when mixing the ingredients together.

We helped to weigh out the ingredients using scales.

We had so much fun! Thank you for all your donations, we are so grateful!

Forest School

We have been observing the changes on our Forest School site. We noticed the colours of the leaves have changed and more and more of the leaves have fallen to the ground. We spoke about the leaves dying in the Autumn and Winter and that new leaves will grow as the weather starts to warm up in the Spring.
