Friday 12th November

Pupil Principles

This week has been Anti Bullying week; it has been packed with fun!

On Monday some Year 6 children went to Harris Academy South Norwood to do some DT while the rest of us made board games associated with our topic of Crime and Punishment. On Tuesday morning, Year 6 had a mental health workshop run by the Palace 4 Life Foundation - thank you for organising this Miss Huxley! Maths on Wednesday was very different as we were learning about fractions using chocolate. We split the chocolate on each table so we all had the same amount.

In the afternoon, we had science and compared the distance between the sun and the earth but on a smaller scale. For Creative Curriculum on Thursday we tea stained paper to make diary entries. Friday was the end of Anti Bullying Week and was Odd Socks Day, my socks were bright and stood out.

This week has been amazing, I can't wait to see what happens next week.

This week was incredible! We did loads of fun activities and cool workshops. As this week was Anti Bullying Week, we learnt a dance we called the Anti Bullying Bop and today the whole school performed it on the playground.

On Tuesday, we had James come in (he works for Palace 4 Life) to talk about mental health.

On Wednesday, we had a peculiar maths lesson as we had six chocolate bars which we had to share equally among twenty five people. At the end we got to eat it.

On Monday some Year 6 children went to Harris South Norwood. This week was fun, I can't wait for next week.

Learning

Year 6 DT Workshop at HASN

On Monday, some children from Year 6 went to Harris South Norwood to take part in a d&t workshop.

We walked to the school and some of the Sixth Form pupils gave us a short tour of the school. After that, they took us to the d&t department where the d&t teacher told us about the subject's curriculum. We made spinning tops with pictures we drew ourselves or the teacher gave us. We stuck them on laser-cut wooden shapes and we put the stick through them. It was really fun for everyone who took part and we enjoyed playing with our spinning tops.

PEER MEDIATOR TRAINING

On Monday, a training consultant from Behaviour Matters, began training twenty four future Peer Mediators from Years four & five. The training will last for six weeks.

ANTI-BULLYING WEEK

Workshops

This week, Key Stage One enjoyed taking part in Anti-Bullying workshops. They focused on what makes us unique and special and celebrated those qualities.

Mes Amis

Every class has taken part in a Mes Amis activity. Year One made friendship bracelets with Year Five and Six.

Quote Quilt

Each class thought of a quote for Anti-bullying week. This will be put together to create a quote quilt.

Odd Socks Day

Sunday Storytelling

What better way to start Sunday with small people than storytime at the Paxton Centre. We're throwing in a cheeky book launch too!

- 10:30am 21st November
- Paxton Centre, 52 Anerley Hill
- FREE!

Judy from Parakeet Books will be reading a couple of her favourite books from the Parakeet library and introducing a new author, Abbi-Jean Reid. Abbi will then read her debut picture book, "Ready for an Adventure."

There will be dinosaur colouring pages, some biscuits and you can buy great coffee and tea from the Paxton Centre cafe.

Books are on sale afterwards if you fancy buying one. For more information go to:

Parakeetbooks.com

Music

BYMT, Kinetika Bloco & Crystal Palace Community Trust

application form

Considerate Parking

We have had a number of complaints from residents in William Booth Road about inconsiderate parking over entrances to people's driveways and communal parking areas.. Please park considerately and do not block other people's property or vehicles for even a short amount of time. Thank you for your cooperation.
