

This term's theme is...

People Who Help Us

Our Creative Curriculum

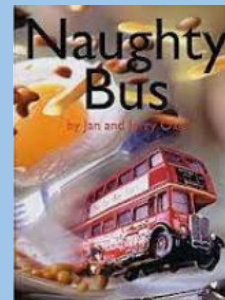

As **confident individuals** we will welcome new children into Preschool and support them as they settle into their new environment. We will learn how to negotiate social situations with adult support and continue to be independent in our self-care.

As **successful learners** we will develop our speaking and listening skills through listening to stories, singing songs, playing with our friends and engaging with the adults in Preschool.

As **active learners** we will listen to information books about different people who help us. We will listen to rhyme and alliteration in books, songs and games. We will make our own class version of the Naughty Bus. We will use positional language and explore numbers 0-10. As **creative explorers** we will role play different occupations and paint people who help us. We will use objects to create repeating patterns and talk about the shapes we are using when building.

We will be reading...

Global Citizens

Our **Jigsaw** theme for this term will be dreams and goals. We will learn to challenge ourselves and learn how when we set goals we must never give up.

As **global citizens** we will learn about the Chinese New Year celebrations.

LOtC and WOW days

As part of our Outdoor Learning we will be continuing our Forest School sessions.

We plan to have a visit from the local police and health professionals, who will talk to the children about their roles.
