# *Curious Class Newsletter*

Final Edition  
Friday 15th July 2022

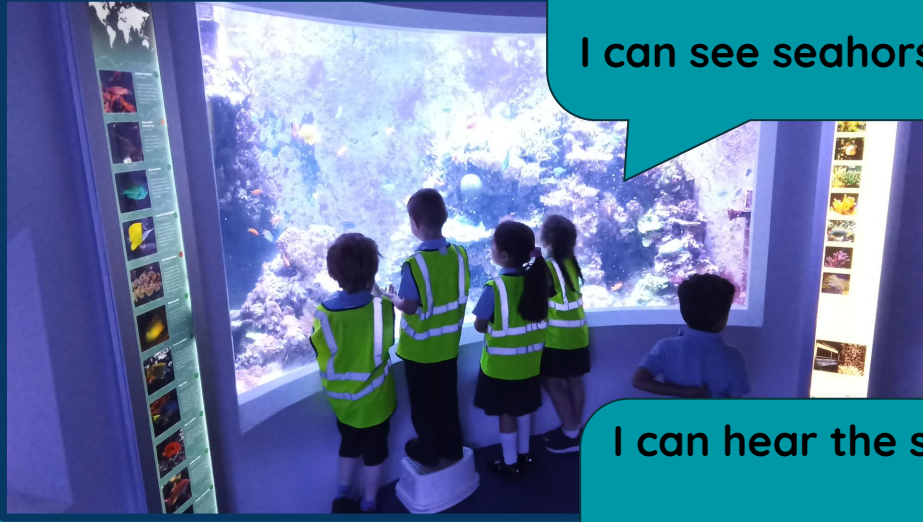

Curious Class had a brilliant time at the Horniman Museum last week. The childrens' behaviour was impeccable, their imagination was amazing and they had a lot of fun!! Thank you to all the adults who came to support us, we couldn't have done it without you!

We got to dress up as different sea creatures and explore the shells and skeletons from some of the animals that live in the Ocean!

My favourite was the aquarium!  
I can see seahorses.

I can hear the sea!!  
I liked finding the seahorse and the fish!

The last two weeks have been filled with lots of activities related to our trip to the Horniman Museum. The children have been making models of sea creatures using different materials, drawing pictures of their favourite creatures, painting large scale group masterpieces, reading lots of different stories and finding out facts using their own questions.

The children have had a great year in Reception and are showing a readiness to move into Year 1. They have grown so much over the year and we are all very proud of their achievements.

We would like to celebrate these achievements with an end of year party. We would like to ask for a donation of £1 towards party food and drink for us all to share. If this could be brought into school on Monday and given to one of the Reception adults we would be truly grateful.

We have been enjoying all the different creatures that have visited our garden this week. We have seen butterflies, bees and ladybirds!! We loved watching the butterflies so we created our own symmetrical patterns to create our own individual butterflies.

# ***A Poem For Curious Class***

This year has been amazing, it has truly been  
a pleasure, the moments we have shared we  
will always treasure.

The laughter and the joys, the we hear  
everyday, when you're learning and exploring  
each moment that you play.

The friendships that have blossomed  
amongst you throughout the year, the  
challenges and risks you take with very little  
fear.

The journeys that you've been on, each one  
of you unique,  
You're creative, smart and joyous with a little  
added cheek!

We want to wish you luck as you move on to  
year one, we will miss your smiling faces and  
your amazing sense of fun!

***From Mrs Thomas, Mrs Heaney, Mrs  
Naraine, Mrs Badiu and Mrs Ereira***

# *Key Dates for this Term*

*These are subject to change*

Forest School- Forest school has now finished for the year. We will be sending all the welly boots home today.

Next week we are expecting some very hot weather, PLEASE ensure your child has a sun hat! We will be limiting the amount of time spent outside in the heat and are reminding the children throughout the day to drink plenty of water. If your child is bringing sun cream into school can you please label it clearly.

20th July - Party Time!!!!

15th July - Picnic and Proms; Please see the School Newsletter for more details.

Thursday 21st July - Last day of school. School will finish at the earlier time of 2pm. There will be no after school club.

Thursday 1st September - First day of Year 1!  
Remember school begins at 8.30 in September!
