STRENGTH THROUGH KNOWLEDGE

Pupil Principals

Hello Everyone, this week has been amazing since we've been writing up a mystery story about a mysterious man who is also a sort of animal who's been accused of murder! It sounds a bit weird but it's really good!

Hello JD,
This week has been amazing, we are writing news reports in English and I am finding it really interesting. Our topic this term is Crime and Punishment so I am looking forward to next week. Have a good weekend!

Year 2 at Crystal Palace Farm

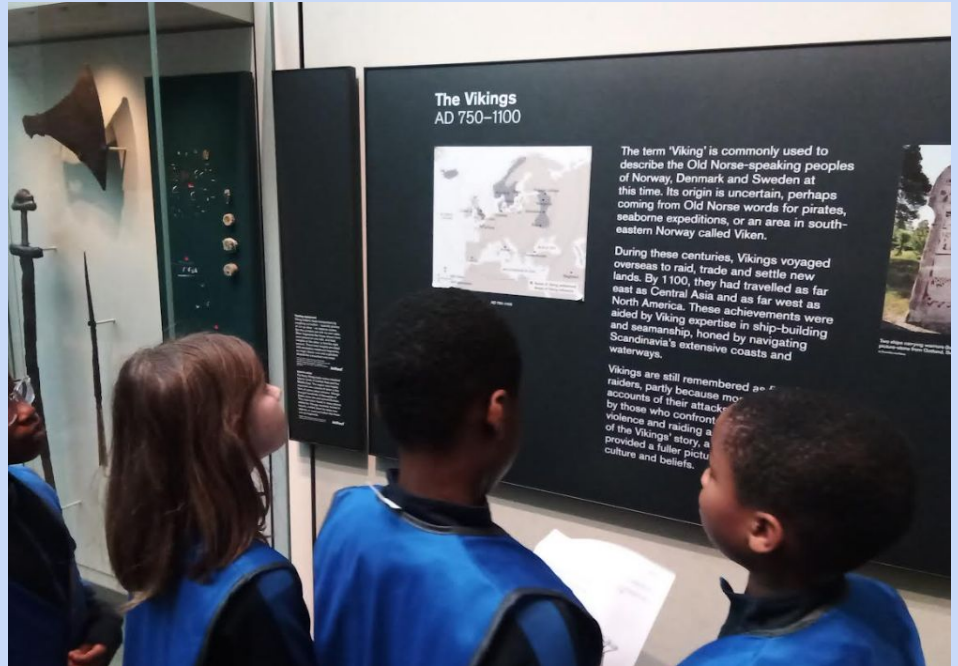

Reflective Class - Trip to Crystal Palace Farm.

Reflective class had a great trip to the farm in Crystal Palace Park. As part of our science topic this term - Animals including Humans - we looked at the different animals and grouped them into herbivores, carnivores and omnivores. We then picked our favourite animal from the farm and sketched a picture adding labels for extra information.

Year 4 at British Museum

This term's theme in Year 4 has been Vikings and what better place to go than the British Museum to find out more about them. The children attended workshops and were able to explore for themselves all the amazing artefacts and information on show.

Curriculum focus - ART

Year 1 have been learning about Autumn during their Science lessons. They have created paintings of Autumn trees.

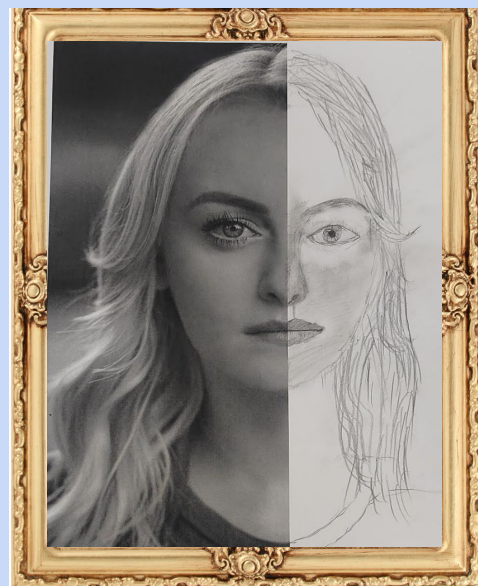

As part of their “Heroic Healers” topic, Year 2 have been creating observational drawings of the aloe vera plant using pencils, felt tips and bios.

In Preschool, the children have been exploring colour mixing.

Year 3 have been creating artwork based on their topic “The Stone Age”. They have experimented with different drawing techniques using pastels and charcoal.

This half term year 5 have been creating portraits. They have been focussing on drawing different facial features .

Artemis Fowl by Eoin Colfer

Twelve-year-old criminal mastermind Artemis Fowl has discovered a world below ground of armed and dangerous—and extremely high-tech—fairies. He kidnaps one of them, Holly Short, and holds her for ransom in an effort to restore his family's fortune. But he may have underestimated the fairies' powers.

Artemis is scarily smart and intelligent!

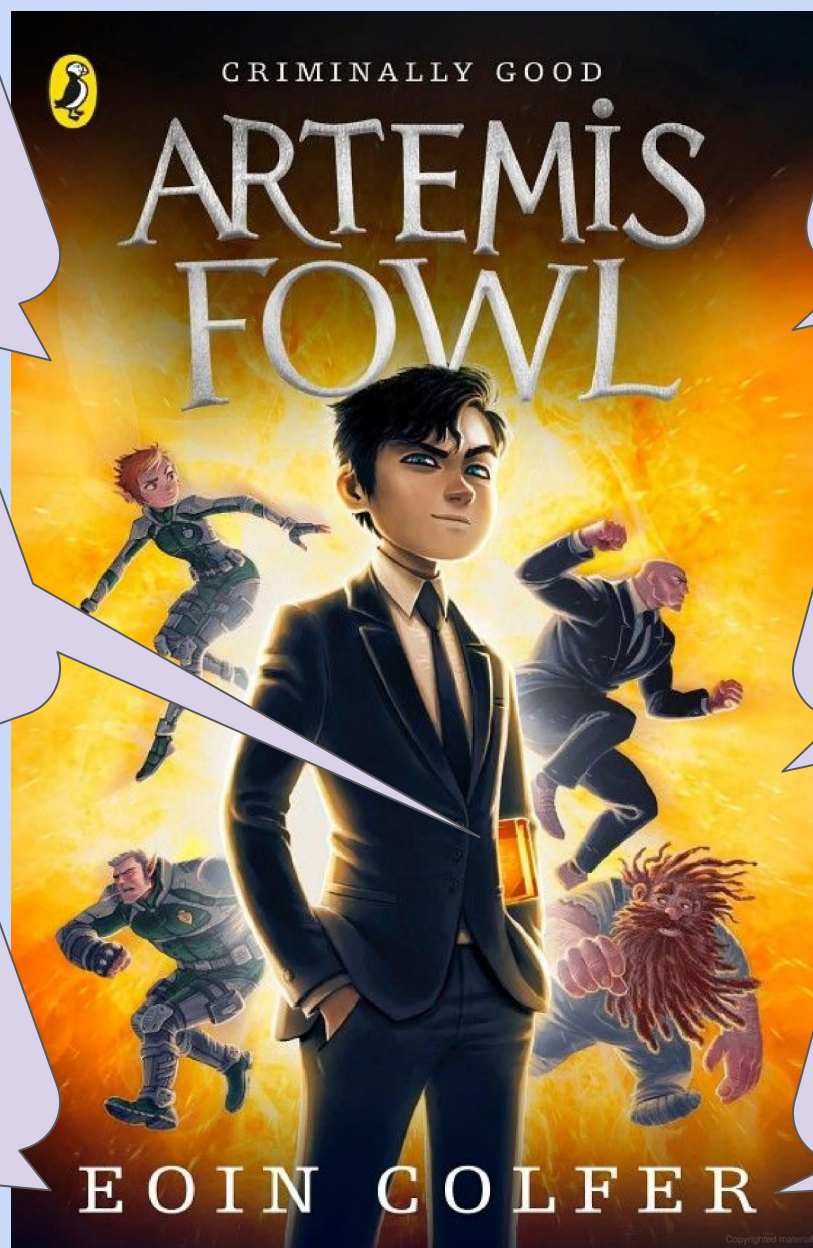

One of my favourite reads of all time!

I wonder what's in his diary?

The characters are lovable and are comedic!

A fantastic mix of science and magic!

Definitely had a cry finishing the last book.
